

Disclosure of Financial Interest In Healthcare Facility.

Your surgery has been scheduled at Advanced Surgery Center, an ambulatory surgery center, which is located at 235 O'Connor Dr., San Jose, CA.

The ASC is designed for procedures which permit the patient to return home the same day. You should be assured that the center is equipped with high-tech equipment and highly skilled professionals trained to provide medical care comparable to that received in an acute care hospital.

The ASC is owned by the Physician Surgery Services, LLC (DBA Advanced Surgery Center). Your physician is one of the owners of the center. Federal law restricts the ownership of ambulatory surgery centers to qualifying medical professionals. Should you have any questions or concerns regarding the ASC, please feel free to contact us at your convenience.
